

# Recycling Right Guide — Know What to Throw & Where

## Residential Tips for Collection Day:

- Make sure the wheels on the bins point towards the curb/house
- Keep lids closed (No overflowing bins)
- Stay at least 30ft away from collection trucks

### Don't put out recycling bin if:

- It's not at least 1/2 full
- Winds are above 40 mph
- It's below 20 degrees outside

For bin repairs or replacement or for more information, call 3-1-1
